2020 OTCI Update

9/15/2020

I hope this writing finds you all safe and well. We are about 5 weeks away from tournament week. The field isn't full, but we are very close to the same number of participants as last year. The crew and I are looking forward to seeing everyone again this year as well as the first time teams that have joined us.

I am incredibly pleased to share with you all that our sponsor partners have been very generous up to this point. We have meal sponsors for all three days. Axio Cased Hole Services, Davis Chemical (Wireline Division) and Guide Energy Solutions are providing these meals on Thursday, Friday, and Saturday, respectively. Please thank these folks for stepping up in an exceedingly difficult time. We also have a "Title" sponsor, (CNC Oilfield Services) and a shirt/buff sponsor, (De Nora Neptune) this year. Once again Old 18 Outfitters is supporting the tournament as a rod sponsor. TX Flood is the Big Bass Sponsor and we have several Gold, Silver, and door prize sponsors as well.

Please be aware that we will setting up tables and chairs to promote social distancing chairs will be in pairs to accommodate team seating. If you are with family or a larger group that is staying in the same lodging, you are welcomed to sit with that group. We will provide buffs for every participant this year. Please wear them or some form of facial covering when you are at the pavilion (weigh-in or festivities unless you are eating or drinking). During the weigh-in process, please maintain social distancing with all other participants. This should not be too difficult given the tournament size and the hour time slot between lines out and closing time at the weigh-in line.

The meal providers will have food ready right at 4:00 PM each day when the weigh-in line closes. Door prizes and awards will follow as soon as possible thereafter.

We will be selling tournament shirts for \$30.00 each at the pavilion this year, as long as inventory lasts. Same style of shirt as last year, but more graphics and a different color.

There is still time to register a team or become a sponsor!

Stay safe and God Bless.

Steve Gifford

President
